GOSSIP AND NEWS OF FOOT BALL WORLD

Friday and Saturday's Games Will Be of the Corking Variety.

George Washington and Virginia Polytechnic Friday and Georgetown and Virginia Saturday. That is the greatest foot ball menu the Washington public has ever had served up to it in one week. Let those who suffer from heart trouble stay away from both games for each one promises to be a hair-raiser.

All sorts of odds are coming out from the fields of the four institutions about the condition of the men, what the coaches hope, what the betting will be and what past performances indicate. Throw all this stuff out of the window, gentle reader, for it is no good at all.

Take the bungled-up players, for instance. From Georgetown come sad tales along this line. McNulty can scarcely hobble. Carrigan is in bad shape, and Daily, whose work in the line has been one of the redeeming features of Georgetown's play throughout the season, has had to be laid off for awhile.

Stories from Virginia are to the effect that in a driving rain Head Coach Nett worked his men so hard on muddy field yesterday that such poor little fellows as Yancy and Stanton complained of having strained ankles. The wall from George Washington has to do with the incapacity of Crats and Morse and fifteen or twenty others. Nothing has been heard from V. P. I. because Blacksburg is so far away from anywhere that few papers could afford telegraph tolls from that festive hamlet.

Forget all these stories. Dailey, Carrigan and McNulty may have been a little off color last week. Yancy and Stanton may have come to bed tired last night and it is possible that neither Morse nor Crats could put on his foot ball togs this afternoon and step off a hundred yards in 3-4-5 seconds, but they will be all right for Friday and Saturday games. You couldn't kill Dailey with an ax and nobody is going to prosecute Nett down at Virginia for cruelty to children by applying the road to a couple of bull-like Yancy and Stanton.

Just look for the whole bunch to be there yesterday when the wickets blow for the games they are to play. Then there's this comparative score business. On that date Virginia should beat Georgetown exactly 6-0. Why? Well, here it is: Virginia Military Institute 32-0. Therefore, 32 and 5 and 3 make 40. Fine dope that for the form players, but nobody around who thinks it will work out correctly Saturday.

Of course Virginia does figure to beat Georgetown, but it is little more than an even proposition at that. The odds are beginning to get better. Her line is as good as Virginia's, if not a little bit better. Virginia's backfield is better than that of the Blue and Gray, although Georgetown will put a better set of backs in the field Saturday than she has yet shown.

In kicking the Orange and Blue has no one who is in a class with Wymard. One who is better than that of the Blue and Gray, although Georgetown will put a better set of backs in the field Saturday than she has yet shown. In the line, the Orange and Blue has no one who is in a class with Wymard. One who is better than that of the Blue and Gray, although Georgetown will put a better set of backs in the field Saturday than she has yet shown.

The writer knows that Virginia figures on having the hardest game of the season when she faces Georgetown Saturday. Both teams have been holding something back, although Virginia out of a good deal in the Navy game in the shape of diversified play, so an open and thrilling game should result.

Dope on the V. P. I.-George Washington game is hard to get. The only test V. P. I. has had was against North Carolina which they beat 12-0. But for George Washington's showing against the Indians the visitors would be favorites, but Saturday to give them the odds on V. P. I. although the betting should be about even. Last year the Blue and Gray beat the Blacksburg eleven 6-0, and the when-tamers are coming to Washington on Friday bent on wiping out that defeat. It will be a game well worth seeing.

Harvard Holds "Subs."

CAMBRIDGE, Mass., November 10.—The entire Harvard practice yesterday afternoon was devoted to strengthening the varsity defense. The second eleven was given the oval and told to do its best. They found the line the Navy game a proposition, but made considerable headway by using the forward pass and trick formations. After one toss, which landed them on the varsity 5-yard line, they found the regulars' defense impregnable. All the regulars were reported, and all but Minot and P. Smith got into the scrimmage. The latter were used in signal drill, but when the more strenuous work was called for Morrison and Long worked

in their places. Corbett got into play. He found the going rough, and gave way to Leslie G. Brown. With Mackay back at tackle, the line showed more confidence and power. The old-fashioned play of the "subs" made no impression on its defense, but when the first signs of new foot ball were tried out the line, especially the left wing, lacked confidence in its ability to cope with such formations. The second eleven made the most of its gains this way. Both O'Flaherty and Wigglesworth took turns in running the eleven, and the "regular" got away some well timed field goals after the scrimmage was over.

"Penn" in Humble Spirit.

PHILADELPHIA, Pa., November 10.—Huddled by the two tied with "Penn" State College and Lafayette, the foot ball team of the University of Pennsylvania began preparation yesterday afternoon for Saturday's battle with Michigan on Franklin Field. Hutchinson started again for the signal fullback and Miller was behind the line. Cornwall was worked in Marks' place for a time, and Young, Heilman and Somers were used behind the line.

Yale Finds Good "Sub."

NEW HAVEN, Conn., November 10.—The Yale foot ball players were put through a hard afternoon's work yesterday in secret practice of more than an hour in addition to open practice also. The varsity men were in their regular positions, with the exception of Lilley, whose place was taken by Paul. The player showed surprising form and played the best game on the field. Paul's leg was hurt two weeks ago, but he is now in fine shape, and if either Lilley or Hobbs were compelled to leave the game Saturday he will be sent in the game. Howe ran the team and drove the men in fine shape, the variety having little trouble with the scrum team. The varsity defense was thoroughly tested and at no time was its goal in danger.

Frank Hinkey coached yesterday and made copious notes on the afternoon's work. The great end will be with the team for the remainder of the season. Shevin also gave the ends the benefit of his skill. Line breaking tactics were employed in secret and open drill. Coy and Philbin doing great work in this particular.

The Yale foot ball management announced last night that three of the four officials for the game with Harvard at Cambridge, November 20, had been decided upon, but that after four coaches the umpire had not yet been selected. The officials selected are: Referee, W. L. Langford; Line Judge, J. E. Pendleton; Bowdoin; head line judge, B. K. Hall; Dartmouth.

Short, Brisk Practice for Tigers.

PRINCETON, N. J., November 10.—Brisk practice was again held by the Princeton varsity eleven yesterday, and after Monday's rest all the regulars were in the scrimmage. They were not kept out long, however, and their places were taken by the substitutes, as the coaches are not taking any chances with injuries at this late date.

During the time the regulars played they tore through the scrum team with touchdowns, all on straight foot ball, and the scrubs were helpless. Sparks and Smith showed up especially well. A feature of the practice was the way the regulars fielded together on offense, in a manner which has not been seen before.

At times, however, the McCormick sent away one of his own drives there was just a suspicion of weakness in the line, the weakness which permits Princeton's opponents to break through and block kicks. Otherwise, however, the work of the ends was also of a high order. Welch, Ballin, Gill and King all taking turns.

4 COACHES AT GEORGETOWN.

Alumni Watch Blue and Gray Scrimmage With Maryland Aggies.

With no less than four old stars urging the players to greater effort, the Georgetown gridiron warriors yesterday afternoon kept pretty busy scrimmaging with the well trained youngsters from the Maryland Agricultural College. The result of the workout was very pleasing to both sides, however, the game was not so successful except when augmented by deception. A few trick plays were tried, but most of the assortment was kept under cover since there were a large number of spectators on the field despite the efforts of the vigilance committee.

The Georgetown list of players differed considerably in the scrimmage from the one used in signal drill. Daily, Vinyet, Joliat and Sitterling constituted the backfield in the game while Barriello and Stuart held down the ends. Stohman was in at guard in place of Dailey, and Cummin and Peenan alternated at center. Capt. Stuart played quarterback while the men went through signals with the result that a great deal of conjecture is

BUSINESS WINS A GAME AT LAST

The defeat of the Eastern High School foot ball team by the Business team yesterday afternoon at American League Park by a score of 18 to 0 gave the latter team its first victory in the history of a gridiron championship.

The Stenographers put up a much better game than the Capital Hill team, although both showed some ragged work. There was a great deal of punting during the game, caused by the fact that neither team would take a chance for a first down on both sides, so that the wagers will probably be the largest in years.

Two years ago the southerners routed the Hatchettes by rather a large score, but last year the local team turned the odds in favor of Virginia, some bets even having been laid at 2 to 1 on the southerners. There is plenty of money in sight on both sides, so that the wagers will probably be the largest in years.

POLYS AFTER SCALPS OF HATCHET BOYS

Never, since the days when George Washington played Georgetown in their annual contests here has the interest in foot ball and the intense rivalry been so great at the downtown school as is manifested toward the contest here with V. P. I. Friday.

Two years ago the southerners routed the Hatchettes by rather a large score, but last year the local team turned the odds in favor of Virginia, some bets even having been laid at 2 to 1 on the southerners. There is plenty of money in sight on both sides, so that the wagers will probably be the largest in years.

The whole school is full of interest and enthusiasm over the coming game, and a giant mass meeting will be held tonight in the university hall, where speeches will be delivered by members of the faculty and prominent men in the university and of the alumni. All of the cheers and songs of the school will be rehearsed, and the most extensive arrangements made for a cheering section on Friday, which will lift the tide of the grand old game.

The outcome of this game will greatly affect the South Atlantic championship. Virginia, if she beats Georgetown, will still have a claim on the title, but will have to beat North Carolina on Thanksgiving day by a decisive score in order to hold this title. If George Washington wins over the southerners by a decisive score, its title to the championship will be clear, as V. P. I. trimmed the Tar Heels in very poor shape last Saturday by the score of 15 to 0. If V. P. I. beats George Washington it will have a very strong hold on the championship. V. M. I. and Washington and Lee are out of the race, which leaves only the Blue and Gray, and Washington and Lee put A. and M. out of the running by holding it to three points last Saturday.

The game was held through a very spirited practice yesterday afternoon, the last hard practice before the game Friday. This afternoon and tomorrow they will be rushed through with light signals practice, and this evening a good talk will be made to them by Coaches Dougherty and Broome. All of the team are now in good condition for the game, and the team with good money, which is a very good sign.
